

Emma's Wisdom Treatment

I have never, as the judgement of Jesus Christ, accused the world, or myself, of being foolish or ignorant.

I am not the result of inheriting foolishness and ignorance. I inherit the wisdom of God, my Father.

I am not surrounded by a foolish and ignorant race. I am surrounded by the wisdom of God.

My daily associations do not burden me and darken me by the weight of their foolishness, or the darkness of their ignorance. All is wisdom, from which I draw wisdom in every moment.

I do not weigh down my own mind with wilfulness in thinking evil. I know no weakness or failure in any part of my being. I am the spiritual light that cannot fail.

I do not persist in thinking of myself as faltering or feeble in any part of my being. I see myself as strength, freedom and light.

My strength is Good, and cannot be threatened with weakness, or yield to weakness, in any part of my being.

My life is Good. It cannot be threatened with death in any part, nor fear death, nor yield to death.

My health is that of the Spirit and cannot be threatened with disease and sickness, nor fear disease and sickness, nor yield to disease or sickness in any part of my being.

I am ready to acknowledge to all around me, and to myself, that I am every whit whole.

In the name of the Father, and of the Son, and of the Holy Ghost, I pronounce myself healed, now and forever.

Amen!
