
THE HIGH WATCH

Our initial and compelling faculty is
our inner vision.

Vision often Godward and live anew.

So shall the body be like "a tree
planted by rivers of water, whose leaf
fadeth not."

Vision often Godward so that affairs
also may go well.

Gaze often toward Our Father, and
all thoughts shall be like morning
music.

Lift up an inward looking now and
then to a country whose ether winds
ever raying forth their healing aura,
are fleet remedials for all the world's
unhappiness.
